

Response Summary:

Montana School District ARP ESSER Plan Update

This tool allows districts to update their ARP ESSER plans at any point. Updates must be completed at least once every six months.

Federal Requirement

The US Department of Education (USED) required the OPI to establish a process for district plans consistent with the ARP ESSER requirements for the use of ARP ESSER funds and ensure plans be made available to the public, within no later than 90 days after a district received its ARP ESSER allocation (August 24, 2021). The requirements for the school district plans include, at a minimum, how districts will:

1. use funds to implement prevention and mitigation strategies;
2. use the funds totaling not less than 20% to address lost instructional time;
3. spend its remaining 80% of ARP ESSER funds;
4. respond to needs of student disproportionately affected by the pandemic; and
5. meaningfully engage with and consult stakeholders in crafting their plans.

Each of these federally required components are embedded into this school district ARP ESSER plan.

In addition, the USED requires the OPI to support and monitor each school district's use of ARP ESSER funds, including:

- i. implementation of evidence-based interventions;
- ii. address the student groups specifically that were disproportionately impacted by the pandemic; and
- iii. identify, reengage, and support students who have experienced the impact of lost instructional time.

The plan will provide the information necessary for the OPI to support and monitor school districts as they move forward.

State Components

Throughout this school district ARP ESSER plan, the OPI has emphasized local control and coordination of state initiatives and requirements so that school districts can identify and innovate solutions for unique local needs and priorities. These components are embedded in the school district ARP ESSER plan. Additionally, the OPI will seek flexibility from the Board of Public Education to use the Goals section of this plan in place of the Continuous School Improvement Plan (CSIP).

Initial ARP-ESSER plans were developed through the use of a template. This plan update tool will provide districts with their most recent plan submission presented with the same fields and sections as their initial plan.

The sections of this tool match the sections of the template provided for districts to use for the creation of their plans.

The template sections are as follows:

1. School District-Identified Priorities
2. Meaningful Consultation
3. Goals
4. Coordinating Funds
5. Creating Safe and Healthy Learning Environment
6. Addressing Lost Instructional Time
7. Supporting the Educator Workforce
8. Monitoring and Measuring Impact of ARP ESSER funds

Prior to updating your school district ARP ESSER plan, consider the following:

What data do you have available to you to measure the impact of your work and guide plan adjustments?

What feedback have you received from stakeholders around your plan and/or your plan implementation?

What steps have you taken to engage stakeholders in your update process?

Instructions for updating your school district ARP ESSER plan

- Review the information in each field to verify that it matches the information you have at the local level. In the event that there is a difference please update any impacted fields during your update process.
- It is recommended that you complete your plan revision in a single sitting. If you are unable to do this please click through to the end of the survey and note on the final page that this submission represents an unfinished update draft.
- After you hit submit you will receive an email that contains a link that you can use for your next update. If you were submitting a draft update please be sure to return to complete your draft before the deadline.

Next Steps:

- When you submit your update you will receive a confirmation email that contains a link to access a PDF of your plan submission and a link to complete your next update.

Please review the information in these fields and verify that it reflects the submission of this update.

1. School District-Identified Priorities

2. Meaningful Consultation

3. Goals

4. Coordinating Funds

Identify other federal funding that you are coordinating with ARP ESSER funds to most effectively use funds to address student needs.

5. Creating Safe and Healthy Learning Environments

Determine if ARP funds will be used to **implement prevention and mitigation strategies**, to the greatest extent practicable, in order to continuously operate schools for in-person learning.

6. Addressing Lost Instructional Time

Describe how the school district will use ARP ESSER funds it reserves under Section 2001(e)(1) of the ARP Act to **address lost instruction time** through the implementation of evidence-based interventions. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions should be considered including personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidenced-based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence-based practices may be found at [OPI's Multi-Tiered Systems of Support](#) page.

7. Supporting the Educator Workforce

Determine if ARP funds will be used to support and stabilize the educator workforce consistent with Section 2001 (e) (2) of the ARP Act.

8. Monitoring and Measuring Impact of ARP ESSER funds

Q33. Please provide the top priorities the school district has determined as the most pressing needs for students and schools within the school district as a result or in response to the COVID-19 pandemic. You may elect between 1-3 priorities by checking the box and providing the text response.

- Priority 1:

Address students' learning loss. Respond to students' social, emotional needs and academic needs.

- Priority 2:

School supplies to support remote learning.

- Priority 3:

Personal protective and disinfecting equipment to ensure a clean, safe environment for students and staff.

Q34. When you identified each of your district's priorities, what data points did you use? Please list any and all data sources, such as attendance, interim assessments, surveys, etc.

Student attendance and direct input from lead teacher regarding students' academic performance and emotional needs. Academic performance is assessed by i-Ready and MAP diagnostic testing as well as state required Smarter Balanced testing.

Q42.

Goal Action Plan, Part 2:

Identify what strategies/action steps will be used to support the achievement of the goals.

Describe a realistic and achievable timeline to achieve the goals.

Identify who is responsible to ensure the strategies/action steps are achieved.

Click the box and provide the text response for each applicable box.

- Math Goal Strategies, Actions, Timelines, and Assignments:

The district's strategies for assessing student progress toward meeting all content standards are as follows:

1. Develop measurable objectives which can be accurately assessed.

2. Use materials which coincide with content standards.
3. Incorporate effective assessments (formative and summative): i-Ready and MAPS testing will be utilized for diagnostic testing.
4. Produce essential rubrics which measure students' knowledge and skills.
5. Become familiar with all content standards and become aware of which content standards have been met and which are still pending utilization.
6. The District is using a standards-based grading system.
 - Based on 2021-22 student progress, our goal is to have students achieve grade level benchmarks by the end of the 2022-23 school year, however, we do have some special needs students that will need more time to reach grade level expectations.

- ELA Goal Strategies, Actions, Timelines, and Assignments:

The district will become familiar with all content standards. Educators within the district will develop a plan to incorporate instructional strategies and curriculum which assists in teaching these content standards. Students will be assessed on a regular basis. Formative and summative assessments will be used as well as i-Ready and MAPS testing for diagnostics. Students will be assessed on reading and language comprehension, background knowledge, decoding skills, phonemic awareness, and syntax. Students who do not meet the content standards and benchmarks for these reading skills will be identified and provided with a plan which encourages more one on one instructional time and practice. The district is using a standards-based grading system.

-- Based on 2021-22 student progress, our goal is to have students achieve grade level benchmarks by the end of the 2022-23 school year, however, we do have some special needs students that will need more time to reach grade level expectations.

- Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.) Strategies, Actions, Timelines, and Assignments:

Hiring a part time teacher's aide to assist our one lead teacher. This will allow our lead teacher to spend more one-on-one time with each student to address specific learning needs.

Q48. How do you plan to use the remaining 80% for the allowable uses of funds related to preventing, preparing for, and responding to COVID-19 as required by ESSER I, II, and III? See page 5 of the ARP ESSER Fact Sheet for more information. Choose all evidence-based practices that apply.

Q71. Goal Action Plan:

Please define your Math goal, English Language Arts (ELA) goal, and other goal, based on the priorities you identified.

Explain what instruments or methods will be used to monitor the progress of the goals and determine if the goals are met. Click the box and provide the text response for each applicable box.

• Math Goal:

Pleasant Valley School District's math goal is for students to meet or exceed Montana Standards for Mathematics and increase Smarter Balance test scores.

We would also like to:

1. Equip students to become independent thinkers and problem solvers.
2. Develop students' abilities to apply mathematical concepts to real life situations.
3. Use manipulatives effectively and efficiently.
4. Incorporate into the classroom various learning strategies.
5. Understand the effectiveness of assessments and accurately use them.
6. Collaborate with colleagues to find resources in order to professionally grow and better serve the student's needs.

• ELA Goal:

Pleasant Valley School District's ELA goal is to create literate, thoughtful communicators, prepared to enter their next grade level and society. We want our students to meet or exceed Montana Standards for ELA and increase Smarter Balance test scores.

We would also like to:

1. Maintain a high standard of excellence for all students.
2. Effectively meet all students' learning needs.
3. Provide equipment and materials for students and teachers.
4. Expose students to both digital and print literacy.
5. Educate all students to become literate and contributing citizens.

- Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.):

Directly address the learning loss due to COVID pandemic by funding a part time teacher's aide position to assist our teacher. The aide will assist with learning so more instruction time can be spent with the other students to bring them up to speed due to instruction time lost during the pandemic.

Q74. Describe the stakeholder consultation that was completed to inform this update. Include dates, locations, and links where relevant.

The District invites public comment from all community stakeholder groups through public board meeting discussions and email. Notice for public input is posted on the District's website. The lead teacher has daily conversations with parents of currently enrolled students.

Q75. Please write a summary statement describing this update. Example: "This submission reflects our first update of our plan in November of 2021"

This submission reflects the latest update of our plan in August 2022.

Q77. Please select the statement below that accurately describes your role:

- I am submitting this data on behalf of the Authorized Representative for this district.

Q78. Please select the statement below that accurately describes this submission:

- This submission represents a correction to an update we already submitted
